1. Scope of Tender and Definitions

1.1 The Procuring Entity as define in the Appendix to Conditions of Contract invites tenders for leasing of the real estate facilities, plant/equipment or vehicles and, if applicable, any related services incidental thereto, as specified in Section VII, Schedule of Requirements. The name, identification, and number of lots (contracts) of this Tender Document are **specified in the TDS**.

1.2 Throughout this tendering document:

- b) If the context so requires, “singular” means “plural” and vice versa;
- c) “Day” means calendar day, unless otherwise specified as “Business Day”. A Business Day is any day that is an official working day of the Procuring Entity. It excludes official public holidays.

2 Fraud and Corruption

2.1 The Procuring Entity requires compliance with the provisions of the Public Procurement and Asset Disposal Act, 2015, Section 62 “Declaration not to engage in corruption”. The tender submitted by a person shall include a declaration that the person shall not engage in any corrupt or fraudulent practice and a declaration that the person or his or her sub-contractors are not debarred from participating in public procurement proceedings.

2.2 The Procuring Entity requires compliance with the provisions of the Competition Act 2010, regarding collusive practices in contracting. To this effect, Tenders shall be required to complete and sign the “Certificate of Independent Tender Determination” annexed to the Form of Tender.

2.3 Unfair Competitive Advantage - Fairness and transparency in the tender process require that the firms or their Affiliates competing for a specific assignment do not derive a competitive advantage from having provided consulting services related to this tender. To that end, the Procuring Entity shall indicate in the **Data Sheet** and make available to all the firms together with this tender document all information that would in that respect give such firm any unfair competitive advantage over competing firms.

2.4 Tenderers shall permit and shall cause their agents (where declared or not), subcontractors, sub-consultants, service providers, suppliers, and their personnel, to permit the Procuring Entity to inspect all accounts, records and other documents relating to any initial selection process, prequalification process, tender submission, proposal submission, and contract performance (in the case of award), and to have them audited by auditors appointed by the Procuring Entity.

35.5 In case of an abnormally high price, the Procuring Entity shall make a survey of the market prices, check if the estimated cost of the contract is correct and review the Tender Documents to check if the specifications, scope of work and conditions of contract are contributory to the abnormally high tenders. The Procuring Entity may also seek written clarification from the tenderer on the reason for the high tender price. The Procuring Entity shall proceed as follows:

- i) If the tender price is abnormally high based on wrong estimated cost of the contract, the Procuring Entity may accept or not accept the tender depending on the Procuring Entity's budget considerations.
- ii) If specifications, scope of work and/or conditions of contract are contributory to the abnormally high tender prices, the Procuring Entity shall reject all tenders and may retender for the contract based on revised estimates, specifications, scope of work and conditions of contract, as the case may be.

35.6 If the Procuring Entity determines that the Tender Price is abnormally too high because genuine competition between tenderers is compromised (*often due to collusion, corruption or other manipulations*), the Procuring Entity shall reject all Tenders and shall institute or cause competent Government Agencies to institute an investigation

on the cause of the compromise, before retendering.

The determination shall not take into consideration the qualifications of other firms such as the Tenderer subsidiaries, parent entities, affiliates, subcontractors (other than specialized subcontractors if permitted in the tendering document), or any other firm(s) different from the Tenderer.
- 36.3 An affirmative determination shall be a prerequisite for award of the Contract to the Tenderer. A negative determination shall result in disqualification of the Tender, in which event the Procuring Entity shall proceed to the Tenderer who offers a substantially responsive Tender with the next lowest evaluated cost to make a similar determination of that Tenderer qualifications to perform satisfactorily.

37 Procuring Entity's Right to Accept Any Tender, and to Reject Any or All Tenders

- 2.2 Kenya's public procurement and asset disposal act (*no. 33 of 2015*) under Section 66 describes rules to be followed and actions to be taken in dealing with Corrupt, Coercive, Obstructive, Collusive or Fraudulent practices, and Conflicts of Interest in procurement including consequences for offences committed. A few of the provisions noted below highlight Kenya's policy of no tolerance for such practices and behavior:
 1. A person to whom this Act applies shall not be involved in any corrupt, coercive, obstructive, collusive or fraudulent practice; or conflicts of interest in any procurement or asset disposal proceeding;

 - a) Shall not take part in the procurement proceedings;
 - b) shall not, after a procurement contract has been entered into, take part in any decision relating to the procurement or contract; and

- iv) “coercive practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
- v) “obstructive practice” is:

Deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede investigation by Public Procurement Regulatory Authority (PPRA) or any other appropriate authority appointed by Government of Kenya into allegations of a corrupt, fraudulent, coercive, or collusive practice; and/or threatening, harassing, or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or

Acts intended to materially impede the exercise of the PPRA's or the appointed authority's inspection and audit rights provided for under paragraph 2.3 e. below.

- b) Defines more specifically, in accordance with the above procurement Act provisions set forth for fraudulent and collusive practices as follows:

"fraudulent practice" includes a misrepresentation of fact in order to influence a procurement or disposal process or the exercise of a contract to the detriment of the procuring entity or the tenderer or the contractor, and includes collusive practices amongst tenderers prior to or after tender submission designed to establish tender prices at artificial non-competitive levels and to deprive the procuring entity of the benefits of free and open competition.

- c) Rejects a proposal for award¹ of a contract if PPRA determines that the firm or individual recommended for award, any of its personnel, or its agents, or its sub-consultants, sub-contractors, service providers, suppliers and/ or their employees, has, directly or indirectly, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for the contract in question;

- b The aggregate liability of the Lessor to the Procuring Entity, whether under the Contract, in tort or otherwise, shall not exceed the total Contract Price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the Lessor to indemnify the Procuring Entity with respect to patent infringement.

28 Change in Laws and Regulations

29.1 Unless otherwise specified in the Contract, if after the date of 28 days prior to date of Tender submission, any law, regulation, ordinance, order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in Kenya (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the Delivery Date and/or the Contract Price, then such Delivery Date and/or Contract Price shall be correspondingly increased or decreased, to the extent that the Lessor has thereby been affected in the performance of any of its obligations under the Contract. Notwithstanding the foregoing, such additional or reduced cost shall not be separately paid or credited if the same has already been accounted for in the price adjustment provisions where applicable, in accordance with GCC Clause 15.

29 Force Majeure

29.1 The Lessor shall not be liable for forfeiture of its Performance Security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

29.2 For purposes of this Clause, “Force Majeure” means an event or situation beyond the control of the Lessor that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Lessor. Such events may include, but not be limited to, acts of the Procuring Entity in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

29.3 If a Force Majeure situation arises, the Lessor shall promptly notify the Procuring Entity in writing of such condition and the cause thereof. Unless otherwise directed by the Procuring Entity in writing, the Lessor shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

30.1 The Procuring Entity may at any time order the Lessor through notice in accordance GCC

- b the method of shipment or packing;
- c the place of delivery; and
- d the Related Services to be provided by the Lessor.

30.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Lessor's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery/Completion Schedule, or both, and the Contract shall accordingly be amended. Any claims by the Lessor for adjustment under this Clause must be asserted within twenty-eight (28) days from the date of the Lessor's receipt of the Procuring Entity's change order.

30.3 Prices to be charged by the Lessor for any Related Services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Lessor for similar services.

- b a full cost/benefit analysis of the proposed change(s) including a description and estimate of costs (including life cycle costs) the Procuring Entity may incur in implementing the value engineering proposal; and
- c a description of any effect(s) of the change on performance/functionality.

30.5 The Procuring Entity may accept the value engineering proposal if the proposal demonstrates benefits that:

- a accelerates the delivery period; or
- b reduces the Contract Price or the life cycle costs to the Procuring Entity; or
- c improves the quality, efficiency or sustainability of the Lease Items; or
- d yields any other benefits to the Procuring Entity, without compromising the necessary functions of the Facilities.

30.6 If the value engineering proposal is approved by the Procuring Entity and results in:

- a a reduction of the Contract Price; the amount to be paid to the Lessor shall be the percentage specified **in the SCC** of the reduction in the Contract Price; or
- b an increase in the Contract Price; but results in a reduction in lifecycle costs due to any benefit described in
- c to (d) above, the amount to be paid to the Lessor shall be the full increase in the Contract Price.

30.7 Subject to the above, no variation in or modification of the terms of the Contract shall

be made except by written amendment signed by the parties.

31 Extensions of Time

- 31.1 If at any time during performance of the Contract, the Lessor or its subcontractors should encounter conditions impeding timely delivery of the Lease Items or completion of Related Services pursuant to GCC Clause 13, the Lessor shall promptly notify the Procuring Entity in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Lessor's notice, the Procuring Entity shall evaluate the situation and may at its discretion extend the Lessor's time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract.
- 31.2 Except in case of Force Majeure, as provided under GCC Clause 32, a delay by the Lessor in the performance of its Delivery and Completion obligations shall render the Lessor liable to the imposition of liquidated damages pursuant to GCC Clause 26, unless an extension of time is agreed upon, pursuant to GCC Sub-Clause 34.1.

32 Termination

32.1 Termination for Default

- a The Procuring Entity, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Lessor, may terminate the Contract in whole or in part:
 - i. if the Lessor fails to deliver any or all of the Lease Items within the period specified in the Contract, or within any extension thereof granted by the Procuring Entity pursuant to GCC Clause 34;
 - ii. if the Lessor fails to perform any other obligation under the Contract; or
 - iii. if the Lessor, in the judgment of the Procuring Entity has engaged in Fraud and Corruption, as defined in paragraph 2.2a of the Appendix to the GCC, in competing for or in executing the Contract.
- b In the event the Procuring Entity terminates the Contract in whole or in part, pursuant to GCC Clause 35.1(a), the Procuring Entity may procure, upon such terms and in such manner as it deems appropriate, Lease Items or Related Services similar to those undelivered or not performed, and the Lessor shall be liable to the Procuring Entity for any additional costs for such similar Lease Items or Related Services. However, the Lessor shall continue performance of the Contract to the extent not terminated.

32.2 Termination for Insolvency.

The Procuring Entity may at any time terminate the Contract by giving notice to the Lessor if the Lessor becomes bankrupt or otherwise insolvent. In such event, termination will be without compensation to the Lessor, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to the Procuring Entity

33.3 Termination for Convenience.

- a) The Procuring Entity, by notice sent to the Lessor, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Procuring Entity's convenience, the extent to

which performance of the Lessor under the Contract is terminated, and the date upon which such termination becomes effective.

- b) The Lease Items that are complete and ready for shipment within twenty-eight (28) days after the Lessor's receipt of notice of termination shall be accepted by the Procuring Entity at the Contract terms and prices. For the remaining Lease Items, the Procuring Entity may elect:
 - i) to have any portion completed and delivered at the Contract terms and prices; and/or
 - ii) to cancel the remainder and pay to the Lessor an agreed amount for partially completed Lease Items and Related Services and for materials and parts previously procured by the Lessor.

34 Import Restrictions

37.1 Notwithstanding any obligation under the Contract to complete all import formalities, any import restrictions attributable to the Procuring Entity, to Kenya, or to the use of the products/Lease Items, systems or services to be supplied, which arise from trade regulations from a country supplying those products/Lease Items, systems or services, and which substantially impede the Lessor from meeting its obligations under the Contract, shall release the Lessor from the obligation to provide deliveries or services, always provided, however, that the Lessor can demonstrate to the satisfaction of the Procuring Entity that it has completed all formalities in a timely manner, including applying for permits, authorizations and licenses necessary for the import of the products/Lease Items, systems or services under the terms of the Contract. Termination of the Contract on this basis shall be for the Procuring Entity's convenience pursuant to Sub-Clause 35.3.
